

2017 Scarecrow Row Contest

- **Use your imagination to create a fun, creative and family-friendly scarecrow.** Gory, provocative, offensive or other scarecrows deemed inappropriate for public display will not be exhibited or entered into the contest. (Troy Historical Society reserves the right to make this determination on the appropriateness of the submission.)
- **Your scarecrow must be weatherproof - No straw or paper stuffing please!** Clean, plastic bags work well. Your 'crow will be outside until the end of October, so please make sure that all clothing, accessories and other features are very well-attached and can withstand rain.
- Scarecrows will not be returned to entrants once submitted; please **do not use items of great sentimental or monetary value to build your scarecrow.** (Troy Historical Society is not responsible for any damaged or lost scarecrows or items the scarecrow may be wearing).
